Sir:

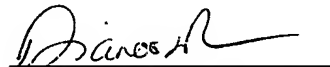

Responsive to the Examiner's Statement of Reasons for Allowance, appearing at pages 2-4 of the Notice of Allowability mailed July 25, 2006, Applicant objects to the Examiner's attempt to characterize the invention and summarize the prosecution history. As abundantly clear from the file, there are several reasons for the allowance of the different claims. The scope of the claims is limited only by the art, and the Examiner's

attempt to reduce the significance of the various claimed embodiments, including those of the dependant claims, to one sentence is improper.

Applicant respectfully submits that the file, exclusive of the Examiner's specific reasons for allowance, is the best evidence of the basis for allowance of each of the various claims.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 04-1679.

Respectfully Submitted,
